EXPERIENCE

- Web development intern** at BlitzBringer June 2015 – Aug. 2015
- Blitzbringer is a startup in Frankfurt, **Germany**. I got a chance to develop close relationships with my colleagues and received insight into all areas of business in a startup
 - Set up company website using WordPress and created own design, layout and child theme, worked on SEO and speed optimization
 - Tested the company's mobile app in real situations, logged bugs and communicated with the development team
 - Assisted at marketing, designed flyers and helped at the shooting of their promotional movie
 - Attended regular meetings, brainstorming sessions

- Marketing intern** at NYUAD, Community Relations Oct. 2014 – Dec. 2014
- Created a WordPress website with 14 articles
 - Managed a contact database for large events using Google Forms, Sheets
 - Contacted embassies and local schools to establish connection with the governmental agencies and the community
 - Assisted with administrative duties

Projects and other experience

- Participated in **Hackathons** in Shanghai and Abu Dhabi
- Created smartphone **apps** using the Ionic framework and Java, interactive websites and simple games in my free time
- Several **design projects** including a logo design for a Parisian startup record label and the identity for an advertisement campaign of the Burj Khalifa
- More on my projects on my **Github** (github.com/gaborcsapo)
